

DizzyFish is an American Classic Rock and Blues Band lead by Eric Herbst. DizzyFish combines the energy of classic rock and the passion of the blues, to create live performances that keep audiences hanging on every note.

The band plays the best of 70's FM Radio with passionate covers of classic songs from a wide range of influences from Neil Young to The Beatles, from B.B. King to The Stones, from Ray Charles to Hendrix, from The Eagles to Eric Clapton. Their amazing shows have something for everyone.

DizzyFish BIO

DizzyFish is a five piece band with two Guitars, Bass, Drums and Keyboards who have received rave reviews opening for national acts like **The Steve Miller Band, Rick Derringer, Three Dog Night and Blackberry Smoke**. They perform some 200 shows a year including Duos, Trios and Four piece shows in cozier venues. They are generous supporters of charities playing many benefits a year.

Eric Herbst (Lead Singer, Songwriter, Guitarist and Leader of the band) has written over 100 songs, including songs recorded by music legends **B.B. King** and **Johnny Cash**. He is widely respected for his writing abilities, producing and passionate performances. **Eric** and **DizzyFish** have just recorded a new album of original music entitled **DizzyFish - Swimming Up Stream**.

Herbst, A staple artist of the CT music scene, has been a regular on Connecticut radio for 20 years on **WPLR 99.1** and as the leader of the **WHCN 105.9** house band. **Other DizzyFish Members** include: **Mike Nunno**: Bass, **Nick Longo**: Drums, **Ken Trapp**: Keyboards and **Peter Blossom**: Guitar.

In his association with RRFC, **Eric** has had the honor of playing with several of his musical heroes such as **Roger Daltrey** (The Who), **Robbie Krieger** (The Doors), **Bill Wyman** (The Rolling Stones), **Jack Bruce** (Cream), **Slash** (Guns n Roses) **Joe Walsh** (The Eagles), and **Nick Mason** (Pink Floyd)

PRESS

"Eric plays *Dead Flowers* better than the Stones."
- Roger Daltrey, The Who

"In 25 years of doing radio, I have seen a lot of great bands and believe me DizzyFish is a great band!"
- Mike Lapitino, WPLR DJ

"I loved their ability to captivate the crowd and really throw down some thick improvisational stuff between their tunes."
- Dean Pivrotto, LiveBandTouring.com

"His acoustic renditions were a joy to listen to. Eric actually had one of those six degrees of separation connections to The Beatles."
- Robin Roberts, 2015 Feb 4 Music Festival
